Dear Sir or Madam,

Please find enclosed the full Governance Pack of the Ambedkarite Buddhist Global Network UK (ABGN-UK), prepared for your review of our forthcoming Charitable Incorporated Organisation (CIO) application. The pack comprises the Association CIO constitution (18 clauses), the Statement of Public Benefit, our Mission, Vision and Values, the Trustee & Member Code of Conduct, the Conflict of Interest policy, the Safeguarding policy, the Equality, Diversity & Inclusion policy, the Financial Controls and Reserves policy, the Risk Register, the Data Protection (UK GDPR) notice, and the Trustee declaration template.

The CIO will, on registration, deliver its charitable objects through both physical events and its own charitable digital platform. The platform is wholly owned by the CIO, operated by volunteer trustees and members, and is not licensed, leased or sold to any third party. It exists solely to widen public access to Buddhist teaching, meditation, structured education and community participation, overcoming barriers of distance, disability, caring responsibilities, financial means, and the absence of a local Buddhist centre. A separate Platform Fact Sheet is enclosed for ease of reference.

The first charity trustees are:

- **Mr Prafulla Ramteke** — Founder Trustee / Chair
- **Miss Siddhi Dhiwar** — Trustee / Secretary
- **Mr Vishwas Dhiwar** — Trustee

We are grateful for the time you will give to reviewing this submission. Any observations, queries or suggested amendments are most welcome and we will respond promptly to anything you raise.

Yours faithfully,

_____

Mr Prafulla Ramteke

Founder Trustee & Chair

On behalf of the trustees of the Ambedkarite Buddhist Global Network UK
